	Rev 02/Jan 2013	J. Jennings – FSD Manager of Safety

SPILL REPORTING

The Spill Reporting Regulation of the BC Waste Management Act requires that spill in excess of the *reportable quantity*, as shown on the schedule on the adjacent page, be reported to the Provincial Emergency Program (PEP) (1-800-663-3456, 24 hrs). The *Lead ERC*, or delegate, is responsible for making this assessment and contacting PEP.

The reporting person will be asked to provide the following information:

- 1 Your name and telephone number
- 2 Name and telephone number of the person who caused the spill
- 3 Time of the spill
- 4 Proper name of product / type spilled
- 5 Quantity of product spilled
- 6 Cause and effect of the spill
- 7 Details of action taken or proposed to stop, contain and minimize the effects of the spill
- 8 Description of the spill location and of the area surrounding the spill
- 9 Details of further action contemplated or required
- 10 Names of agencies on the scene
- 11 Names of other persons or agencies advised concerning the spill
